ALL INFORMATION SUBJECT TO CHANGE

*Wednesday Makeup Night – Special Night

Studio makeup nights are in black. On-location makeup days at school are bold italic.

All studio makeup nights are first come, first served with no appointments. Studio makeup night times are **5 - 7 pm** officially, but we will start to shoot at about 4:30 when possible. ALSO, all staff should be prepared to work until at least 8 pm on makeup nights.

We take one-outfit formal sittings only on makeup nights/days. There is usually a line for photos here at the studio. **Customers should expect to wait up to one hour at the studio, and possibly longer.**

The sitting fee is \$35 for the makeup nights at the Studio.

Carlisle Makeup day **at school** sitting fee is \$25. Encourage the kids to come to the makeup day at school and SAVE!

Mechanicsburg Makeup day **at school** sitting fee is \$25.

Cumberland Valley Makeup Day **at school** sitting fee is \$25. Encourage the kids to come to the makeup day at school and SAVE!

Carlisle, Mechanicsburg and Cumberland Valley will have sign-up sheets for appointments at school for the at-school date. Students should check the office and/or yearbook staff and listen to announcements for information about how to sign up for makeup days after school starts. Note that these sign-up sheets WILL NOT be available until sometime AFTER school starts. STUDENTS NEED TO LISTEN FOR ANNOUNCEMENTS.

We will gladly photograph any student after the school deadline. HOWEVER, WE CANNOT GUARENTEE THAT THEY WILL BE IN THE YEARBOOK. They need to be told this when they schedule, and when they are photographed. Also, notes need to be made in the computer if they are photographed after the deadline. Ultimately, the deadlines are set by the yearbook advisors, and if they make an exception, that is their business. Some schools do make exceptions. **ANYONE PHOTOGRAPHED AFTER THE LAST MAKEUP DAY FOR THEIR SCHOOL MUST BE CHARGED \$45 FOR A RUSH SITTING. NO EXCEPTIONS.**

Anyone wishing to have casuals taken should come in on an appropriate makeup time for the yearbook formal picture. Another time can then be scheduled for the casual poses.

Casuals may be scheduled on Saturday mornings as needed during October and November. Outdoor photos are especially nice during October and November. Note that I would prefer that we not take casuals after school days in September because we are very busy with sports and Memory Mate Photos. After School casuals should be scheduled beginning in mid- to late-October.

ALL STUDENTS TAKEN AFTER AUGUST 1st MUST MAKE A SELECTION FOR THE YEARBOOK AT THE TIME OF THE SITTING. NO EXCEPTIONS. IF THEY CANNOT MAKE A SELECTION WE WILL MAKE ONE FOR THEM.

STUDENTS WISHING TO CHANGE THE PICTURE THEY SELECTED FOR THE YEARBOOK MUST DO SO BEFORE 28th, 2015. CHANGES MADE AFTER THAT DATE CANNOT BE PROCESSED FOR THE YEARBOOK!

WE CANNOT GUARENTEE SPECIAL RETOUCHING REQUESTS FOR STUDENTS TAKEN ON MAKEUP TIMES. WE WILL DO OUT BEST, BUT DO NOT PROMISE ANYTHING!!!
