May 15, 2017

Dear Parents of the Class of 2018,

As you may already know, *The Camera Box* of Camp Hill has served Carlisle High School as the official yearbook photographer for many years. In exchange for allowing *The Camera Box* to photograph our senior class, the Oracle yearbook staff is provided with free pictures of athletic events, many clubs and organizations, academic shots, social activity candid pictures and other groups. In addition to yearbook use, the pictures are also used in a variety of publicity and/or program publications. Without this arrangement, the cost of our yearbook would soar greatly due to increased photography costs.

When your senior participates in a sitting, *The Camera Box* provides the Oracle staff with a yearbook picture. Using one photographer assures our staff of a consistent style and high quality that is especially important when we publish the entire yearbook in color. The senior section of the yearbook will be our first submission. In order to publish a yearbook in May, our publisher will require us to submit the senior section by the end of October. *The Camera Box* must complete all senior photo portraits by mid September so they have enough time to complete all retouches and create the picture disk required by the publisher.

The basic portrait sitting consists of various head and shoulder poses in one outfit and normally costs \$35.00. However, students may schedule an appointment to have their picture taken by *The Camera Box* in the Fowler Center on August 1st, 2nd and 3rd will pay only \$25.00 for a sitting fee and yearbook picture. Morning, afternoon and some early evening appointments are available at school. Students who are unable to schedule a sitting at school in August may schedule an appointment at *The Camera Box* in Camp Hill any time during June, July or August. A limited number of appointments will also be available at the Camp Hill studio in September.

Please urge your senior to dress appropriately. To ensure continuity throughout the senior section, we strongly encourage male students to wear a coat and tie and females to refrain from wearing thin-strapped tank style tops. Dark colors are recommended to enhance the quality of the picture. Coats and ties will be supplied for males and drapes for females if necessary. *The Camera Box* can provide coats and ties, but boys must bring their own dress shirt. Shirt sizes vary too widely and will not be provided. Please remember that you are under no obligation to purchase senior portrait packages, but only Camera Box portraits will be published in the Oracle. For an additional charge, other poses can be taken at the Camp Hill studio in attire of the student's choice and the Camera Box offers a variety of photo packages. Visit their website for more information:

www.camerabox.com

The yearbook staff is already working on the design of next years Oracle. Our goal is to create a beautiful book that your senior will treasure for many years to come. We want to include pictures of EVERY senior, but we need your help. Due to yearbook publishing deadlines, it is important for students to schedule picture appointments during the summer months. You can schedule your appointment by calling 761-2017. Please encourage your senior to schedule their appointment with *The Camera Box*, as soon as possible.

Sincerely

Camera Box & Oracle Yearbook Staff

Parental Input is Essential!

You will view your images on our computer system during your photo session. Choose your favorite poses, and we will post your images online for ordering!
