Ordering Information

Your image previews are posted online for ordering. We will provide a password for you to view the photos. Portrait session fee must be paid in full at time of appointment. Camera Box accepts cash, checks made payable to "Camera Box," and all major credit cards.

Retouching

Standard retouching is included for all images from which you order prints or retouched digital files. Facial blemishes, shine and lines will be softened, and glare from glasses will be removed at no additional charge. Custom Retouching is available for an extra charge. Fees for custom retouching range from \$15 - \$25 per pose and may extend the delivery time of your order.
