**Dear Parents & Guardians of Bishop McDevitt Class of 2019 Seniors:**

**Camera Box is pleased to notify you that we will once again serve as the official photography studio for Bishop McDevitt High School. As part of our agreement with the school, all members of the class of 2019 are required to be photographed at our studio this summer for inclusion in the yearbook.**

In exchange for the opportunity to photograph all seniors, we supply the school with sports action photos, homecoming, prom, music program photos, and other events **at no charge to the students or school.** You may view many of the photos that we have taken at school events over the years at our website, [www.camerabox.com](http://www.camerabox.com), and we are pleased to offer **free downloads** of many of these photos for students and parents from McDevitt.

We ask that you pay a sitting fee for the yearbook photo, but you are under no obligation to purchase prints from our studio. However, as a local, family-owned business, we ask for your support by choosing our company for all your senior picture needs. Camera Box not only donates services to Bishop McDevitt High School, but we also support several local non-profit organizations including Bishop McDevitt High School, the American Heart Association, United Methodist Home for Children, National MS Society, Junior Achievement and many more. We believe in being active community partners, and we would appreciate your patronage.

***We can offer you an opportunity to have your senior portraits taken and save \$ on your sitting fee; if your student is photographed in May or June you will save \$10, and during the month of July you will save \$5 off your sitting fee*** (see brochure for full pricing information). Appointment times are filling fast, so call us today at **717.761.2017** to schedule your appointment!

***Thank you for your support – we look forward to working with you!***

## **Senior Portrait Frequently Asked Questions – Bishop McDevitt**

revised 5/2018 - information subject to change without notice

**When should I have my senior portraits taken?** Senior portraits should be taken in May, June, July or August of 2018 in order to guarantee that your photo will appear in the yearbook. You may be photographed in September or early October, however we do not recommend waiting until fall, as it is more difficult to find appointment times.

**How do I get an appointment?** Call us at **717.761.2017** to schedule. Before you call, please look over our price list and decide how many outfits you want to wear, and if you want to do any informal poses. We have plenty of appointment times in the summer, but they fill up VERY quickly, so call early.

**Do I have to pay something when the pictures are taken?** Yes. You must pay a sitting fee when the pictures are taken. The sitting fees vary depending on how many outfits you wear. Please see the enclosed price list for full information. We have an ***“Early Bird Special”*** that will save you money if you are photographed before August.

**Should I bring my parents along with me when my pictures are taken?** Yes! We have found that bringing a parent (or both parents) along will help you feel more at ease, and will help us to take better photos. Your parents have known you all your life, so we value their input during your photo session.

**Do you get to see your pictures right away, during the sitting?** Yes. You will see your images immediately on our studio system, and you will be able to choose your yearbook pose at that time as well.

**What if I don't like my pictures?** At Camera Box we will show you your images before your sitting is over. If you don't like them just tell us, and we will do retakes right away. If there is a problem that is beyond our control you can reschedule for a later date in most cases.

**How do I look at the photos from my senior portrait session and decide what I want to buy?** We will post your senior pictures on our website in a special password-protected area. Your photos will be available online for a limited time after your sitting is taken. You may view your pictures online and decide what poses you would like to order. You may also share the website and password with your family and friends.

**How long will my sitting take?** At the studio we schedule you for about 15-20 minutes per outfit. For example, if you wear two outfits, it will take about 30-45 minutes. Three outfits take an hour (sometimes longer). Taking portraits is not an exact science, so occasionally we fall behind. In most cases the wait is not long.

**What should I wear for my senior portraits?** For your formal yearbook style portrait, you should dress up. Guys, jacket and tie is appropriate. Girls, please plan to wear one of our drapes for your formal photos (see question below). For casuals or outdoor photos, wear what you like.

**What is a drape?** Camera Box has custom made drapes available for female customers; drapes are "V" neckline tops made of black velvet that wrap around your shoulders. Please wear a tank top or something that can be easily pushed down over your shoulders under the drape. Your shoulders are bare in a drape pose, so watch out for suntan strap marks. Dramatic tan lines may require an extra charge for custom retouching.

**Do you provide tuxedos or other outfits for guys?** We do not provide tuxedos but we do have a limited selection of black jackets and ties that should fit most students. You can borrow a jacket from our studio, but make sure you have your own dress shirt that fits well around your neck. **We do not provide shirts.**

**MCDEVITT DRESS CODE: ANY STUDENT NOT IN DRESS CODE WILL NOT BE PERMITTED TO HAVE THEIR PORTRAIT APPEAR IN THE YEARBOOK.**

**GIRLS:** Must wear black drape FOR YEARBOOK PHOTO. One pair of earrings allowed (Hair must be down to cover other piercings). No facial piercings or visible tattoos. NO CLEAR NOSE PIERCING studs (absolutely NO nose piercings whatsoever). No unnatural hair color allowed.

**BOYS:** No pierced ears, facial piercings or visible tattoos of any kind. No facial piercings of any kind. Hair cannot touch the top of the collar or any part of the ears. No unnatural hair color allowed. Must be clean shaven. Moustaches permitted (No beards, goatees, or other facial hair of any kind). PROFESSIONAL DRESS ATTIRE: Suit, button-down shirt, tie or bowtie / Sports jacket, button-down shirt, tie or bowtie.

**Any photo that is deemed inappropriate or that does not meet the professional dress code requirements will not be featured in the yearbook.**

**What can I do to help make sure my pictures look good?** *The most important thing to ensure good senior pictures is to spend time preparing for your sitting.* Choose outfits that you like and that look good on you. Get input from your parents and your friends.

**Ladies:** even if you are not used to wearing makeup, wear it for pictures. Keep it natural. Mascara & lip gloss are a great basic look. If you have any questions or concerns about make up visit the cosmetics counter at the local department store for advice about your specific needs.

**Guys:** shave before your appointment. Make sure your hair is the way you like it, and meets the school dress code.

**Everyone:**

- **Acne:** Don't panic if you break out before your scheduled time. We retouch all of your finished pictures, so it may be best to leave your skin alone and not try to cover with makeup.
- **Hair:** Make sure you are comfortable with your hair - if you get a new hairstyle on picture day and you don't like it, you won't like your pictures.
- **Clothes:** Bring your clothes in on hangers, and make sure they are neat and not wrinkled up.
- **Sleep:** Get plenty of rest the night before your appointment so you come in feeling fresh and looking good!

**Will my senior pictures be retouched?** Yes. All finished senior portraits are retouched. The photos you see online are not retouched. When you order, the poses you select will be fully retouched for your completed order. Standard retouching removes blemishes, softens lines, and generally improves the look of your pictures. If you need other special corrections, like removing stains on teeth, removing reflections in glasses, or other things, we can usually do it, but there may be some extra charges. If you are concerned about something, please talk with us.

**How long will it take to get my finished pictures?** Delivery time varies depending upon the time of year. If you come in early and order early (in May or June) your pictures will be ready in about 2 - 4 weeks. If you order in July or early August it can take up to 6 weeks. During our really busy time (August - October) finished pictures may take as long as 8 weeks. Senior portraits are all custom work that takes time to complete.
